Our SABIS® Member boarding school, Ashwicke Hall School, Bath UK is delighted to announce the opening of registration for the Study Abroad Program (SAP) in Term 1 of the Academic Year 2018-2019, as well as the Full Year Program (FYP).

In addition, ISC-Choueifat students who will be studying in **regular classes in levels L to N** starting the Academic Year 2018-2019 may apply for the Full Year Program (FYP). However, acceptance to the FYP is subject to your child's choice of subjects, and possible full year student visa restrictions in the UK. Students will have the opportunity to experience boarding as well as participating in weekly trips and activities on and off campus.

**Why choose Term 1 of "The Experience of a Lifetime" Study Abroad Program?**

Each term offers a different perspective to life and study in the UK. Term 1 covers the autumn and winter months with the opportunity to experience the changing seasons and take part in traditional English activities such as firework displays on Bonfire Night and trips to London to see the famous Winter Wonderland in Hyde Park.

In addition, Term 1 offers the opportunity of a longer stay in Ashwicke Hall School as students have the option to stay for the first two weeks of Term 2 without additional boarding and tuition fees, which extends their stay to 15 weeks, and they will rejoin Term 2 at ISC-Choueifat after the winter break holiday.

**Benefits of SAP T1:**

- Students transition easier to this higher level because of the additional support offered to boarders.
- Students learn independence, self-reliance, new cultural experiences, expanded awareness, and return better prepared to finish the academic year at their home school.
- **SAP T1 tuition fees are the most discounted of the 3 terms (35% off UK tuition fees).**
